40 19 EXPLANATION

40 20 This bill makes changes to the sex offender registry
40 21 provisions and to duties and requirements related to persons
40 22 who commit sex offenses.

40 23 DIVISION I. The sex offender registry changes in the
40 24 division relate to the federal Adam Walsh Child Protection
40 25 Safety Act of 2006.

40 26 The division repeals Code sections 692A.1 through 692A.16
40 27 including provisions relating to residency restrictions and
40 28 assessments of risk and replaces these sections with new Code
40 29 sections 692A.101 through 692A.124.

40 30 The amendment to new Code section 692A.101 relates to the
40 31 definitions within Code chapter 692A. The division adds
40 32 definitions for appearance, business day, change, employee,
40 33 employment, foreign court, incarceration, indictable offense,
40 34 internet identifiers, jurisdiction, loiter, military offense,
40 35 minor, principal residence, professional licensing
41 1 information, relevant information, sex offender, sex offense,
41 2 sex offense against a minor, student, and vehicle. The
41 3 division modifies or strikes the definitions for conviction,
41 4 criminal offense against a minor, other relevant offense, and
41 5 residence. The division does not modify the definitions for
41 6 aggravated offenses, child care facility, criminal or juvenile
41 7 justice agency, department, sexually violent offense, sexual
41 8 exploitation, and sexually violent predator.

41 9 The amendment to new Code section 692A.102 classifies sex
41 10 offenses into tiers. The division classifies the tiers in
41 11 ascending order of severity with the least serious offenses
41 12 classified tier I offenses, the next serious sex offenses
41 13 classified as tier II offenses, and the most serious sex
41 14 offenses classified as tier III offenses.

41 15 Current law groups sex offenses as either aggravated
41 16 offenses, criminal offenses against a minor, sexually violent
41 17 offenses, and other relevant offenses.

41 18 The division provides that a sex offense classified as a
41 19 tier I offense shall be reclassified as a tier II offense, if
41 20 the person convicted for the sex offense is currently required
41 21 to register for a prior tier II offense. The division
41 22 provides that a sex offense classified as a tier I or tier II
41 23 offense shall be reclassified as a tier III offense, if the
41 24 person convicted for the sex offense is currently required to
41 25 register for a conviction for a prior tier II or tier III
41 26 offense.

41 27 New Code section 692A.103 provides that an offender
41 28 convicted of a tier I, tier II, or tier III sex offense, or a
41 29 sex offense in a federal, military, tribal, or foreign court,
41 30 or an offender residing in this state who was required to

41 31 register under another jurisdiction's sex offender registry,
41 32 shall register as a sex offender in this state.

41 33 The division provides that an offender shall register from
41 34 the date of placement on probation, release on parole or work
41 35 release, release from incarceration or placement, the date of
42 1 attendance at school, or from the date of conviction under
42 2 other circumstances.

42 3 The division provides that an offender is not required to
42 4 register if incarcerated, but the running of the registration
42 5 period is tolled while the offender is incarcerated.

42 6 Under the division, a juvenile offender adjudicated for a
42 7 sex offense that requires registration shall register as a sex
42 8 offender unless the court waives the requirement to register.
42 9 If the juvenile offender is 14 years of age or older, and the
42 10 sex offense was committed by force, or the threat of serious
42 11 injury, or involved the victim being rendered unconscious or
42 12 drugged, the juvenile court shall not waive the registration
42 13 requirement. Currently, the juvenile court may waive the
42 14 requirement to register for any juvenile adjudicated for an
42 15 offense that requires registration.

42 16 The division also allows the juvenile court to waive or
42 17 modify the registration requirement for a juvenile adjudicated
42 18 for a sex offense that requires registration. Under the
42 19 division, the juvenile court, may upon motion of a juvenile
42 20 required to register, modify or suspend the registration
42 21 requirements if good cause is shown. If the juvenile court
42 22 decides to modify or suspend the registration requirements for
42 23 a juvenile, the juvenile court shall notify the superintendent
42 24 of the school where the juvenile is enrolled. If the juvenile
42 25 is enrolled in a nonpublic school, the authorities of such
42 26 school shall be notified of the decision. The division
42 27 prohibits the juvenile court from modifying or suspending the
42 28 registration requirement, if the juvenile offender is 14 years
42 29 of age or older, and the sex offense was committed by force,
42 30 or the threat of serious injury, or involved the victim being
42 31 rendered unconscious or drugged.

42 32 The division requires an offender who has been convicted of
42 33 a sex offense which qualifies the person as a sexually violent
42 34 predator to register for life.

42 35 New Code section 692A.104 requires that an offender shall
43 1 appear in person to register with the sheriff of each county
43 2 of residence, employment, or attendance as a student, within
43 3 three business days of being required to register.

43 4 The division requires the offender to appear in person
43 5 within three business days of changing residence, employment,
43 6 or attendance as a student, to notify the sheriff of each
43 7 county where a change has occurred.

43 8 The division requires the offender to appear in person,
43 9 within three business days of relevant information changing,
43 10 to notify the sheriff of the county where the offender's
43 11 principal residence is located that certain relevant
43 12 information has changed.

43 13 The division requires the offender to appear in person,
43 14 within three business days of establishing a residence,
43 15 employment, or attendance as a student outside the state, to
43 16 notify the sheriff of the county where the offender's
43 17 principal residence is located that the offender has
43 18 established a residence, employment, or attendance as a
43 19 student outside the state.

43 20 New Code section 692A.105 requires the offender to appear
43 21 in person, within three business days of the information
43 22 changing, to notify the sheriff of the county where the
43 23 offender's principal residence is located, about information
43 24 relating to the location where the offender is staying when
43 25 away from the principal residence for more than three days, or
43 26 a description of the location of employment, including travel
43 27 routes, if the employment is not at a fixed location.

43 28 New Code section 692A.106 establishes the duration of
43 29 registration for each tier sex offense. An offender who is
43 30 convicted of a tier I offense shall register for a period of
43 31 15 years. An offender who is convicted of a tier II offense
43 32 shall register for a period of 25 years. An offender who is
43 33 convicted of a tier III offense shall register for life. An
43 34 offender convicted of a special sentence in violation of Code
43 35 section 903B.1 or 903B.2, shall register for a period equal to
44 1 the term of the special sentence, but not less than the term
44 2 specified for the applicable tier offense.

44 3 A juvenile offender adjudicated for an offense that
44 4 requires registration shall register for a period of 10 years,
44 5 unless the juvenile is 14 years of age or older at the time of
44 6 the commission of the sex offense, and the sex offense was

44 7 committed by force, or the threat of serious injury, or
44 8 involved the victim being rendered unconscious or drugged. In
44 9 such cases where the juvenile is 14 years of age or older and
44 10 uses force, threat of injury, or the victim is rendered
44 11 unconscious or drugged, the juvenile shall register for a
44 12 period determined by the particular tier classification.

44 13 The division provides that a juvenile who has been
44 14 adjudicated of a tier III offense, shall register for a period
44 15 of 25 years. Under the division, an offender convicted of a
44 16 tier III offense who is not a juvenile registers for life.

44 17 New Code section 692A.107 provides that the time period for
44 18 registration is tolled when an offender is incarcerated or if
44 19 the offender is not compliant with the requirements of
44 20 registration.

44 21 New Code section 692A.108 establishes the intervals for
44 22 verification of offender information at the sheriff's office.
44 23 The division requires a tier I offender to appear in person to

44 25 requires a tier II offender to verify information in person
44 26 every six months. The division requires a tier III offender
44 27 to appear in person to verify information every three months.

44 28 The division also requires a photograph of the offender to

44 31 juvenile facility, correctional institution or facility, or
44 32 the court, to obtain all relevant information from an offender

44 34 also requires the sex offender to be informed about the
44 35 registry requirements prior to release or sentencing.

45 1 The division provides that if an offender refuses to
45 2 register as a sex offender, the offender shall be held in
45 3 contempt pursuant to the provisions of Code chapter 665.

45 4 The division makes no changes to the assessment of a \$10
45 5 registration fee and \$200 civil penalty in Code section 692A.6
45 6 and designates the provision as new Code section 692A.110.

45 7 New Code section 692A.111 creates criminal penalties for
45 8 violating requirements under new Code section 692A.104
45 9 (registration process), 692A.105 (additional registration
45 10 requirements), 692A.108 (verification of relevant
45 11 information), 692A.112 (knowingly providing false
45 12 information), 692A.113 (minor at residence), or 692A.114
45 13 (exclusion zones). An offender commits an aggravated
45 14 misdemeanor for a first offense and a class "D" felony for a
45 15 second or subsequent offense. In addition, if an offender
45 16 violates any of the requirements and is convicted of a sex
45 17 offense against a minor, sexual exploitation, or a sexually
45 18 violent offense committed while in violation of any
45 19 requirement is guilty of a class "C" felony, in addition to
